BATTLE OF THE BIG GUNS

Sponsored by the Standardbred Sales Company

2014 saw a sea change in harness racing here in Britain and Ireland– a sport long dominated by the pacers invited in the “French Trotter” bringing with them sponsorship from France to provide a series of high value races which have proved a very successful innovation in our sport.

There is nothing like a little competition to concentrate the mind and it was with this very fact in mind that a business case was put to the Standardbred Sales Company who run the famous Harrisburg Sales amongst other sales in North America reminding them of the fact that the UK and Ireland were in fact customers for their regally bred pacers in the form of yearlings , racehorses, brood mares and stallions, which all in turn improve the quality of pacers this side of the pond. We felt it would be a good idea to provide a valuable series for the top class pacers here in Britain and Ireland kindly supported by Russell Williams Chairman and Vice-President of the Standardbred Sales Company and his fellow directors, thus creating an additional and lucrative reason for prospective owners to shop in Harrisburg. The support will be for a three year period initially and hopefully this can be extended if there is benefit to all parties. The series is also financially supported by the horse owners and promoters to create a platform for the very best Free for All pacers in this country to hopefully draw in the public as they do battle.

All the nominated horses are guaranteed five races in the six race series and the highest money earner in the series will be crowned the BIG GUN 2015. Total prize purse for the series will be in excess of £15000 and hopefully we can build on this in future years.

The series started in Appleby, on a grass surface, racing over the extended mile and a quarter with Meadowbranch Josh maintaining his glittering early season form winning an exciting first leg of the series from Foolaround and Stamp Hill. The second leg sees us going to Wolverhampton on a different surface and a big track will this throw up a different result ? **(Can include Wolverhampton placings here if printing deadline allows)**

Two legs follow on Tir Prince’s sea side half mile oval followed by hopefully a fast mile on Tregaron’s grass track and the finale on Corby Wood’s tighter circuit in September – a variety of distances, surfaces and tracks will hopefully prove who really is the BIG GUN of 2015.

Current standings after one leg : **(can be updated if printing deadline allows)**
